1. I have given you all authority for My purposes and My purposes only (1), for My purposes throughout the earth, throughout the earth, throughout My body, throughout the earth, for Me, form of only Me, fashion of only Me. My body coming throughout now flourishes in Me, flourishes in Me to see their own beauty, to see the beauty that I have placed with them in the authority that I have given them and placed in them to subdue, to rule and reign and be next to Me and think it not robbery to be equal with Me (2). I love you and I give you Me.
2. I rule and reign and you rule and reign in Me and you have My authority. You have My scepter, you have My body and My body has Me. I love you and I give you Me and I rule and reign and I authority-ize you. I give you My authority, I knight you, I bless you, I scepter-ize you, I compliment you, I commend you and I command you to go forth in My authority; to go forth in My authority replete: My authority in heaven and earth with My keys, My kingdom bringing on earth—I love you—all authority given to Me in heaven and earth, all authority given you in heaven and on earth. I love you and I give you Me.
3. I give you Me and I give you My authority to do My miracles, to do My manliness, to do My kingliness, to do My scepter-izing; lifting those out of gutters, those toothless, in need of repair, who in the breach have been, abysses of despair, abysses of lack in poverty of thinking, poverty of flesh, poverty of spirit. Poverty, All-Poverty ruling and reigning in their lives; that's with a capital A and P.
4. But now I rule and reign. I am All Possibility, capital A and P. I am All Possibility, I am king, I am ruler of all and I authority you now. Authority has been given in My word replete throughout, throughout, confirmed, affirmed.
5. I ask, I bleed, I believe, I ask now, I ask now and I ask now each one of you to bleed not and bleed not each other, but believe in Me, in My name and My authority, and who you are and who I say you are and what I have given you this day in might and power: My authority, My authority, My authority walk, and peace be in My authority, war be in My authority—war in the heavenlies, and your peace bringing My kingdom to earth.
6. I love you and I rest in you. I rest in peace and I war in you, I war through you, I war in My authority spoken forth, wielded by the power of My word going forth and the power of your word, your writings, your written words, your spoken words, your actions of only Me.
7. **Think not I am limited to words, you deaf mutes who I come to now and empower-ize to speak My words in multiple forms and fashions and ways of only Me; I give you** multiple manners, mannerisms and fashions of only Me; and I love you and I arise you

and I give you Me and I give you healing to destroy not; but to pass on in My body and, think it not strange of what I do and how I do through My manners, My forms and My fashion, form of only Me.
8. Have I a form? See Me. See Me in My body. See My authority in My body. See My body/My authority, My authority see now, My body, and see Me and walk in My authority that I am and that I have given you this day. I love you. Be Me.
Good Day
